Item 8.01 Other Events.

On September 1, 2011, NeuroMetrix, Inc. (“NeuroMetrix” or “we”) filed a Certificate of Amendment to its Restated Certificate of Incorporation, as amended, with the Secretary of State of the State of Delaware, to effect a 1-for-6 reverse stock split of its common stock.

As previously disclosed on a Current Report on Form 8-K filed on May 16, 2011, our stockholders approved an amendment to our Restated Certificate of Incorporation to effect a reverse stock split of our common stock, at a ratio in the range of 1-for-2 to 1-for-8. On August 30, 2011, the Board of Directors selected the 1-for-6 reverse stock split ratio and authorized the implementation of the reverse stock split.

As a result of the reverse stock split, every six shares of our pre-reverse split common stock will be combined and reclassified into one share of our common stock. No fractional shares will be issued in connection with the reverse stock split. Stockholders who otherwise would be entitled to receive a fractional share in connection with the reverse stock split will receive a cash payment in lieu thereof. Our post-reverse split common stock has a new CUSIP number: 641255203, but the par value and other terms of the common stock were not affected by the reverse stock split.

The post-reverse split common stock will trade on the NASDAQ Capital Market with a “D” added, under the symbol “NUROD” for the 20 trading days beginning September 2, 2011 to designate that it is trading on a post-reverse split basis, and will resume trading under the symbol “NURO” after the 20-trading day period has expired.

Our transfer agent, American Stock Transfer & Trust Company, LLC, is acting as exchange agent for the reverse stock split and will send instructions to stockholders of record regarding the exchange of certificates for common stock.

On September 1, 2011, we also issued a press release with respect to the reverse stock split described above.

A copy of the Certificate of Amendment to our Restated Certificate of Incorporation, as amended, is being filed as Exhibit 3.1 to this Current Report on Form 8-K and is incorporated herein by reference. A copy of the press release is being filed as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.

3. The Amendment of the Restated Certificate of Incorporation herein certified has been duly adopted in accordance with the provisions of Section 242 of the General Corporation Law of the State of Delaware.
