NeuroMetrix Presents Business Overview at Biotech Showcase 2015

WALTHAM, Mass.--(BUSINESS WIRE)-- NeuroMetrix, Inc. (Nasdaq:NURO) reported that its President and Chief Executive Officer, Shai N. Gozani, M.D., Ph.D., provided an update and overview of company business activities on January 14, 2015 at the Biotech Showcase 2015 conference in San Francisco. Dr. Gozani's discussion particularly focused on Quell™, the company's newly unveiled wearable technology for relief of chronic pain. The presentation is archived and may be accessed for 90 days at <http://edge.media-server.com/m/p/audrhjcw>. The corporate presentation used by Dr. Gozani is available at www.NeuroMetrix.com under the "Investor Relations" tab.

About NeuroMetrix

NeuroMetrix is an innovative health-care company that develops wearable medical technology and point-of-care tests that help patients and physicians better manage chronic pain, nerve diseases, and sleep disorders. For more information, please visit <http://www.NeuroMetrix.com>.
