

NeuroMetrix to Present at Biotech Showcase 2016

WALTHAM, Mass.--(BUSINESS WIRE)-- NeuroMetrix, Inc. announced today that Shai N. Gozani M.D., Ph.D., President and Chief Executive Officer, will be presenting at the Biotech Showcase 2016 Conference being held in San Francisco, CA. Dr. Gozani intends to provide an overall business update and a discussion on Quell® , the Company's over the counter wearable pain relief device. A live audio and slide webcast will be available on the investor relations section of the corporate website, www.NeuroMetrix.com. This webcast will be archived for one month after the live event.

Details of NeuroMetrix's presentation are as follows:

Event: Biotech Showcase 2016 Conference
Date: Monday, January 11, 2016
Time: 3:30PM Pacific (6:30PM Eastern)
Location: Room: Mission II - Parc 55 San Francisco

Co-produced by Demy-Colton Life Science Advisors and EBD Group, Biotech Showcase is an investor and partnering conference for private and public biotechnology and life sciences companies. Now in its eighth year, Biotech Showcase is expected to attract upwards of 1,500 attendees.

About NeuroMetrix

NeuroMetrix is an innovative health-care company that develops wearable medical technology and point-of-care tests that help patients and physicians better manage chronic pain, nerve diseases, and sleep disorders. The company is located in Waltham, Massachusetts and was founded as a spinoff from the Harvard-MIT Division of Health Sciences and Technology in 1996.
