(“NeuroMetrix”, “we”, “us”, or the “Corporation”) for use at a special meeting of stockholders (the “Special Meeting”) to be held on Tuesday, February 28, 2017, at 9:00 a.m., local time, at the offices of Mintz, Levin, Cohn, Ferris, Glovsky and Popeo, P.C., One Financial Center, Boston, MA 02111, and at any adjournments or postponements thereof.

**IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE
SPECIAL MEETING TO BE HELD ON FEBRUARY 28, 2017.**

This proxy statement is available for viewing, printing and downloading at:

<http://www.viewproxy.com/NeuroMetrix/2017SM/ProxyStatement2017.pdf>

This proxy statement summarizes the information you need to know to vote at the Special Meeting. You do not need to attend the Special Meeting to vote your shares. Instead, you may vote your shares by marking, signing, dating and returning the enclosed proxy card.

Only stockholders of record as of the close of business on January 9, 2017 will be entitled to vote at the meeting and any adjournments or postponements thereof. As of that date, 7,114,901 shares of our common stock, \$0.0001 par value per share (the “common stock”), were issued and outstanding. Each share outstanding as of the record date will be entitled to one vote, and stockholders may vote in person or by proxy. Execution of a proxy will not in any way affect a stockholder’s right to attend the meeting and vote in person, although the presence (without further action) of a stockholder at the Special Meeting will not constitute revocation of a previously given proxy. Any stockholder delivering a proxy has the right to revoke it by either: (1) filing a written revocation with our Secretary at NeuroMetrix, Inc., 1000 Winter Street, Waltham, Massachusetts 02451; (2) submitting a new proxy by telephone, internet, or proxy card after the date of the previously submitted proxy; or (3) appearing in person at the meeting and voting by ballot at the Special Meeting. Your most current vote, whether by telephone, Internet or proxy card is the one that will be counted.

Whether you plan to attend the Special Meeting or not, we urge you to vote by proxy. If you vote by proxy, the individuals named on the proxy card, or your “proxies,” will vote your shares in the manner you indicate. You may specify whether your shares should be voted for, against, or abstain with respect to the proposals to be voted on at the Special Meeting. Voting by proxy will not affect your right to attend the Special Meeting. If your shares are registered directly in your name through our stock transfer agent, American Stock Transfer & Trust Company, or you have stock certificates registered in your name, you may vote:

- **By mail.** Complete and mail the enclosed proxy card in the enclosed postage prepaid envelope. Your proxy will be voted in accordance with your instructions. If you sign the proxy card but do not specify how you want your shares voted, they will be voted as recommended by our Board of Directors.
- **By Internet or by telephone.** Follow the instructions attached to the proxy card to vote by Internet or telephone.
- **In person at the meeting.** If you attend the meeting, you may deliver your completed proxy card in person or you may vote by completing a ballot, which will be available at the meeting.

Telephone and Internet voting facilities for stockholders of record will be available 24-hours a day and will close at 11:59 p.m. Eastern Time on February 27, 2017.

If your shares are held in “street name” (held in the name of a bank, broker, or other nominee), you must provide the bank, broker, or other holder of record with instructions on how to vote your shares and can do so as follows:

- **By mail.** Follow the instructions you receive from your broker or other nominee explaining how to vote your shares.
- **By Internet or by telephone.** Follow the instructions you receive from your broker or other nominee to vote by Internet or telephone.
- **In person at the meeting.** Contact the broker or other nominee who holds your shares to obtain a broker’s proxy card and bring it with you to the Special Meeting. You will not be able to vote at the Special Meeting unless you have a proxy card from your broker.

If you need assistance in voting by telephone or over the Internet or completing your proxy card or have questions regarding the Special Meeting, please contact our proxy advisor:

The representation in person or by proxy of at least a majority of all shares of common stock issued, outstanding, and entitled to vote at the meeting is necessary to constitute a quorum for the transaction of business. Abstentions and broker “non-votes” are counted as present or represented for purposes of determining the presence or absence of a quorum for the meeting. A “non-vote” occurs when a nominee holding shares for a beneficial owner votes on one proposal, but does not vote on another proposal because, in respect of such other proposal, the nominee does not have discretionary voting power and has not received voting instructions from the beneficial owner. An automated system administered by our transfer agent tabulates the votes. The vote on each matter submitted to stockholders is tabulated separately.

Each of the persons named as proxies in the proxy is one of our officers. All properly executed proxies returned in time to be cast at the meeting will be voted. The stockholders will act upon proposals (i) to approve the issuance of shares of our Series E convertible preferred stock and warrants to purchase shares of our common stock to an institutional investor and its affiliates (the “Investor”) pursuant to the Securities Purchase Agreement, dated as of December 28, 2016, by and between the Corporation and the Investor (the “Securities Purchase Agreement”) and to approve the other transactions contemplated thereby, including the resetting of the exercise prices of warrants to purchase shares of our common stock held by the Investor, as described herein, for purposes of complying with NASDAQ Marketplace Rule 5635(d); (ii) to approve the resetting of the conversion price of the Series D convertible preferred stock held by the Investor, as described herein; (iii) to approve an amendment to the Corporation’s Third Amended and Restated Certificate of Incorporation (the “Restated Certificate”) to increase the number of shares of our common stock authorized for issuance from 100,000,000 shares to 150,000,000 shares; and (iv) to authorize an adjournment of the Special Meeting, if necessary, if a quorum is present, to solicit additional proxies if there are not sufficient votes in favor of Proposals 1, 2 and 3.

If your shares are registered in your name, they will not be counted if you do not vote as described above. If your shares are held in street name and you do not provide voting instructions to the bank, broker or other holder of record that holds your shares, the bank, broker or other holder of record will not have the authority to vote your unvoted shares on Proposal 1, 2, 3 and 4 if it does not receive any instructions from you. The bank, broker or other holder of record of shares held in street name will have the authority to vote your unvoted shares on Proposal 4, even if it does not receive any instructions from you. We encourage you to provide voting instructions. This ensures your shares will be voted at the meeting in the manner you desire. If your bank, broker or other holder of record cannot vote your shares on a particular matter because it has not received instructions from you and does not have discretionary voting authority on that matter or because your broker chooses not to vote on a matter for which it does have discretionary voting authority, this is referred to as a “broker non-vote”.

The following sets forth the vote required to approve each proposal and how votes are counted:

Proposal 1: Approve the issuance and repricing of certain of our securities

The affirmative vote of a majority of the votes properly cast for or against this proposal at the Special Meeting is required to approve the issuance and repricing of certain of our securities pursuant to the Securities Purchase Agreement. Brokerage firms do not have authority to vote customers' unvoted shares held by the firms in street name on this proposal. Abstentions and broker non-votes will have no effect and will not count toward the vote total for this proposal.

Proposal 2: Approve the amendment to the conversion price of the Series D Preferred Stock

The affirmative vote of a majority of the votes properly cast for or against this proposal at the Special Meeting is required to approve the amendment to the conversion price of the Series D Preferred Stock. Brokerage firms do not have authority to vote customers' unvoted shares held by the firms in street name on this proposal. Abstentions and broker non-votes will have no effect and will not count toward the vote total for this proposal.

Proposal 3: Approve the amendment to the Restated Certificate to increase the authorized shares of Common Stock

The affirmative vote of holders representing a majority of our outstanding common stock is required to approve the amendment to the Restated Certificate to increase the number of authorized shares of our Common Stock. Brokerage firms do not have authority to vote customers' unvoted shares held by the firms in street name on this proposal. Abstentions and broker non-votes will be treated as votes against this proposal.

Proposal 4: The adjournment of the Special Meeting

Approval of the adjournment of the Special Meeting requires an affirmative vote of a majority of the votes properly cast for or against this proposal at the Special Meeting. Brokerage firms do not have authority to vote customers' unvoted shares held by the firms in street name on this proposal. If a broker does not exercise this authority, such broker non-votes, as well as any abstentions, will have no effect on, the vote total for this proposal.

The Board of Directors knows of no other matter to be presented at the meeting. If any other matter should be presented at the meeting upon which a vote may be properly taken, shares represented by all proxies will be voted with respect thereto in accordance with the judgment of the persons named as proxies in the proxy card.

We will publish preliminary results, or final results if available, in a Current Report on Form 8-K within four business days of the Special Meeting. If final results are unavailable at the time we file the Form 8-K, then we will file an amended report on Form 8-K to disclose the final voting results within four business days after the final voting results are known.

PROPOSAL 1 — TO APPROVE THE ISSUANCE OF SHARES OF OUR SERIES E CONVERTIBLE PREFERRED STOCK AND WARRANTS TO PURCHASE SHARES OF OUR COMMON STOCK TO THE INVESTOR PURSUANT TO THE SECURITIES PURCHASE AGREEMENT AND TO APPROVE THE OTHER TRANSACTIONS CONTEMPLATED THEREBY, INCLUDING THE RESETTING OF THE EXERCISE PRICES OF WARRANTS TO PURCHASE SHARES OF OUR COMMON STOCK HELD BY THE INVESTOR

Background and Description of Proposal

On December 28, 2016, we entered into a securities purchase agreement (the “Purchase Agreement”) with an institutional investor and its affiliates (the “Investor”) pursuant to which we agreed to issue (i) up to 7,000 shares of our Series E convertible preferred stock at a purchase price of \$1,000 per share and (ii) warrants to purchase up to 10,000,000 shares of our common stock (the “Warrants”) in two tranches (the “Offering”). The initial closing of the Offering occurred on January 5, 2017 (the “Initial Closing”) and included the issuance of 4,000 shares of Series E Preferred Stock and Warrants to purchase 5,714,286 shares of our common stock for an aggregate purchase price of \$4.0 million. In connection with the Initial Closing, we extended the termination date of outstanding warrants to purchase an aggregate of 5,411,764 shares of our common stock held by the Investor from January 15, 2017 to June 28, 2022 and reset the exercise prices of warrants to purchase an aggregate of 11,685,732 shares of our common stock held by the Investor to \$0.70 per share and extended the termination dates of those warrants by an additional six months and one day.

Provided that we receive stockholder approval of Proposal 1, we expect to issue additional securities as follows: (i) 3,000 shares of Series E convertible preferred stock and (ii) warrants to purchase up to 4,285,714 shares of common stock with an exercise price equal to \$0.70 per share, subject to certain adjustments as described below. These securities will be issued within five (5) business days after a registration statement covering the resale of the common stock underlying the Series E convertible preferred stock and the Warrants becomes effective (the “Second Closing”). Additionally, subject to the approval of Proposal 1, the exercise prices of existing warrants to purchase an aggregate of 11,800,554 shares of our common stock will be reset from \$1.69 to \$0.70 per share.

Reasons for the Securities Offering

The proceeds of the Offering will be used for commercialization of Quell®, our over-the-counter wearable device for relief of chronic pain, in the United States, and for general working capital purposes. If our stockholders do not approve this Proposal No. 1, the Investor will not fund the Second Closing and we will not receive any anticipated proceeds therefrom. As such, we would need to seek alternative means of financing. Any alternative financing obtained by us may be on terms less favorable to the Corporation than the Second Closing or a financing may not be obtained at all.

Series E Preferred Stock

The Series E convertible preferred stock was created under a Certificate of Designations of Preferences, Rights and Limitations of Series E Convertible Preferred Stock (the “Certificate of Designations”).

Each share of Series E convertible preferred stock has a stated value of \$1,000 and is convertible, beginning six months from the date of issuance at the option of the holder thereof, into a number of shares of our common stock determined by dividing the stated value by the initial conversion price of \$0.70, subject to adjustment in the event of stock splits, stock dividends, stock combinations or similar events. Subject to limited exceptions, a holder will not have the right to convert any portion of its shares of Series E Preferred Stock if the holder, together with its affiliates, would beneficially own over 4.99% of the number of shares of our common stock outstanding immediately after giving effect to such conversion (the “Beneficial Ownership Limitation”); provided, however, that upon prior notice to us, the holder may increase the Beneficial Ownership Limitation, provided that in no event will the Beneficial Ownership Limitation exceed 9.99%.

Upon liquidation, dissolution or winding-up of the Corporation, each holder of Series E Preferred Stock will be entitled to receive out of the assets, whether capital or surplus, of the Corporation the same amount that a holder of Common Stock would receive if the Series E Preferred Stock were fully converted, paid pari passu with all holders of common stock. The Series E Preferred Stock is entitled to receive dividends if any are declared on an “as converted to common stock” basis to and in the same form as dividends actually paid on shares of our common stock. No other dividends shall be paid on shares of Series E Preferred Stock.

If the Corporation fails to timely deliver shares of common stock upon conversion of the Series E Preferred Stock within three trading days after delivery of the notice of conversion, then the Corporation is obligated to pay to the holder, as liquidated damages, an amount equal to \$50 per trading day (increasing to \$100 per business day after the third trading day and increasing to \$200 per business day after the sixth trading day) for each \$5,000 of stated value of the Series E convertible preferred stock being converted which is not timely delivered. If the Corporation fails to timely deliver shares of common stock upon conversion of the Series E Preferred Stock to the holder, and if after the required delivery date the holder is required by its broker to purchase (in an open market transaction or otherwise) or the holder or its brokerage firm otherwise purchases, shares of common stock to deliver in satisfaction of a sale by the holder of the common stock which the holder anticipated receiving upon such conversion, then the Corporation is obligated to (A) pay in cash to the holder the amount, if any, by which (x) the holder's total purchase price (including brokerage commissions, if any) for the shares of common stock so purchased, minus any amounts paid to the holder by the Corporation as liquidated damages for late delivery of such shares, exceeds (y) the amount obtained by multiplying (1) the number of shares of common stock that the Corporation was required to deliver at the time of conversion of the shares of Series E convertible preferred stock times (2) the price at which the sell order giving rise to such purchase obligation was executed, and (B) at the option of the holder, either reinstate the portion of the Series E convertible preferred stock and equivalent number of shares of common stock for which such conversion was not honored (in which case such conversion shall be deemed rescinded) or deliver to the holder the number of shares of common stock that would have been issued had the Corporation timely complied with its delivery obligations.

Warrants

Each Warrant represents the right to purchase up to a number of shares of common stock equal to 100% of the Investor's subscription amount related to the exercise price for the Warrants which in the case of the Warrants issued in the Initial Closing is equal to \$0.92 per share and \$0.70 with respect to the Warrants issuable upon the approval of Proposal 1. Additionally, in connection with the approval of Proposal 1, the exercise price of the Warrants issued in the Initial Closing will be reset to \$0.70. The Warrants are exercisable any time after the six month anniversary of their issuance and will expire five years after their initial date of issuance. Additionally, subject to the approval of Proposal 1, the exercise prices of existing warrants to purchase an aggregate of 11,800,554 shares of our common stock will be reset from \$1.69 to \$0.70 per share.

The Warrants contain customary "cashless exercise" terms, pursuant to which the holders of the Warrants may choose to exercise the Warrants (at a time when the Warrants are otherwise exercisable according to their terms) without paying cash, by effectively submitting a greater number of warrants, rather than a smaller number of warrants plus cash, in exchange for shares. If, at any time while a Warrant is outstanding, we are party to certain fundamental transactions including a merger or consolidation where we are not the surviving entity, a reclassification, reorganization or recapitalization of our securities of the sale or license of all or substantially all or assets (a "Fundamental Transaction"), then, upon any subsequent exercise of a Warrant, the holder of the Warrant will have the right to receive, for each share of common stock underlying the Warrant that would have been issuable upon such exercise immediately prior to the occurrence of such Fundamental Transaction, at the option of the holder (without regard to any beneficial ownership limitation set forth in the Warrant) the number of shares of common stock of the successor or acquiring corporation or of the Corporation if it is the surviving corporation, and any additional consideration receivable as a result of such Fundamental Transaction by a holder of the number of shares of Common Stock for which the Warrant is exercisable immediately prior to such Fundamental Transaction. The Warrants are subject to customary pro rata anti-dilution provisions in the event of stock splits, stock dividends, stock combinations or similar events affecting our Common Stock.

The Warrants contain limitations that prevent the holder of any Warrants from acquiring shares upon exercise of a Warrant that would result in the number of shares beneficially owned by it and its affiliates exceeding 4.99% of the total number of shares of our common stock then issued and outstanding, which limit may be raised to 9.99% upon the request of the holder. Further, we are prohibited from issuing shares upon exercise of the Warrants or conversion of the Series E Preferred Stock if such issuance would cause us to exceed the number of shares that we are permitted to issue under the NASDAQ Marketplace Rules described below prior to our obtaining stockholder approval, as required by those rules, of the issuance of shares in the

Offering. Those rules prohibit us from issuing more than 19.9% of our common stock outstanding on the date we entered into the Securities Purchase Agreement, or 1,187,686 shares, without receipt of stockholder approval, and so the issuance of the shares of common stock issuable upon exercise of the Warrants and conversion of the Series E Preferred Stock issued in the Initial Closing is also subject to those limitations.

Registration Rights

In connection with the Securities Offering, we entered into a registration rights agreement (the “Registration Rights Agreement”) with the Investor pursuant to which we agreed to register for resale (i) the shares of Common Stock issuable upon conversion of the Series E convertible preferred stock and (ii) the shares of common stock issued or issuable upon exercise of the Warrants, and (iii) any capital stock of the Corporation issued or issuable with respect to (i) or (ii) as a result of any stock split, stock dividend, recapitalization, exchange or similar event or otherwise without regard to any limitations on exercise of the Warrants. We will pay certain amounts to the Investor as liquidated damages in the event that the registration statement is not effective within 60 days after the earlier of March 31, 2017 and the date of receipt and effectiveness of shareholder approval of Proposal 1 (or 30 days if the registration statement is not reviewed by the Securities and Exchange Commission). We also agreed to other customary obligations regarding registration, including indemnification and maintenance of the registration statement.

Voting Agreement

In connection with the Securities Offering, pursuant to Voting Agreements, all of our officers and directors have agreed to vote shares that they have voting control over in favor of Proposal 1.

Why We Need Stockholder Approval

As a result of our listing on The NASDAQ Capital Market, issuances of our common stock are subject to the NASDAQ Marketplace Rules, including Rule 5635(d), which requires us to obtain stockholder approval prior to the issuance of securities in connection with a transaction, other than a public offering, involving the sale, issuance or potential issuance by us of shares of our common stock (or securities convertible into or exercisable for shares of our common stock) at a price less than the greater of book or market value if such issuance would represent 20% or more of our common stock or voting power of the Corporation outstanding before the issuance (the “Nasdaq 20% Rule”). In the case of the Securities Offering, the Nasdaq 20% Rule’s threshold is determined based on the number of shares of Common Stock outstanding immediately before the Initial Closing. Pursuant to the Securities Purchase Agreement, the Corporation will be required to issue an additional 3,000 shares of Series E convertible preferred stock and warrants to purchase 4,285,714 shares of our common stock in connection with the Second Closing. Additionally, if Proposal No. 1 is approved and the Second Closing is consummated, the exercise price of the Warrants issued at the Initial Closing along with the respective exercise prices of warrants to purchase 11,800,554 shares of our common stock held by the Investor will be reset to \$0.70 which together would trigger the Nasdaq 20% Rule. We seek your approval of Proposal No. 1 in order to satisfy the requirements of the Nasdaq 20% Rule and complete the Second Closing as contemplated.

Any transaction requiring approval of the Nasdaq 20% Rule will result in a significant increase in the number of shares of Common Stock outstanding and, as a result, our current stockholders will own a smaller percentage of the outstanding shares of our common stock. Additional issuances of common stock pursuant to the Securities Offering, if any, may cause a significant reduction in the percentage interests of our current stockholders’ voting power, the liquidation value of our securities, our book and market value, and their ability to participate in dividends and other payments from our future earnings, if any. Further issuances or resales of securities to the Investor could cause the market price of our common stock to decline. In addition to the foregoing, the increase in the number of issued shares of common stock in connection with the Securities Offering may have an incidental anti-takeover effect in that additional shares could be used to dilute the stock ownership of parties seeking to obtain control of the Corporation. The increased number of issued shares could discourage the possibility of, or render more difficult, certain mergers, tender offers, proxy contests or other change of control or ownership transactions.

The information set forth in this Proposal is qualified in its entirety by reference to the terms of the Securities Purchase Agreement, and the form of Warrants, filed as exhibits to the Corporation’s Current Report on Form 8-K filed on December 29, 2016. Stockholders are urged to carefully read these documents.

The affirmative vote of a majority of the votes properly cast for or against this proposal at the Special Meeting is required to approve the issuance of the issuance of shares of our Series E convertible preferred stock and warrants to purchase shares of our common stock to the Investor pursuant to the Securities Purchase Agreement and to approve the other transactions contemplated thereby, including the resetting of the exercise prices of warrants to purchase shares of our common stock held by the Investor. Abstentions and broker non-votes will have no effect and will not count toward the vote total for this proposal.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE TO APPROVE THE ISSUANCE OF SHARES OF OUR SERIES E CONVERTIBLE PREFERRED STOCK AND WARRANTS TO PURCHASE SHARES OF OUR COMMON STOCK TO THE INVESTOR PURSUANT TO THE SECURITIES PURCHASE AGREEMENT AND TO APPROVE THE OTHER TRANSACTIONS CONTEMPLATED THEREBY, INCLUDING THE RESETTING OF THE EXERCISE PRICES OF WARRANTS TO PURCHASE SHARES OF OUR COMMON STOCK HELD BY THE INVESTOR.

PROPOSAL 2 — TO APPROVE THE RESETTING OF THE CONVERSION PRICE OF THE SERIES D CONVERTIBLE PREFERRED STOCK

Pursuant to the terms of the Securities Purchase Agreement, we are seeking stockholder approval of the resetting of the conversion price of 19,459 shares of Series D convertible preferred stock, as held by the Investor, pursuant to an amendment to the Certificate of Designations (the “Amendment”) in the form attached hereto as Appendix II. Pursuant to the Securities Purchase Agreement, the Amendment will reset the conversion price of such shares from \$1.805 to \$0.70 per share.

The Series D convertible preferred stock was originally issued to the Investor pursuant to a Securities Purchase Agreement dated as of June 2, 2016. The Investor’s willingness to participate in the Securities Offering was conditioned on the Company’s agreement to seek shareholder approval of the resetting of the conversion price of the Series D preferred stock as set forth above. As such, the Company believes that approval of this proposal is in the best interests of our shareholders.

The affirmative vote of a majority of the votes properly cast for or against this proposal at the Special Meeting is required to approve the resetting of the conversion price of the Series D preferred stock. Abstentions and broker non-votes will have no effect and will not count toward the vote total for this proposal.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE TO APPROVE THE AMENDMENT TO THE CERTIFICATE OF DESIGNATIONS, AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR OF THE AMENDMENT UNLESS A STOCKHOLDER INDICATES OTHERWISE ON THE PROXY.

PROPOSAL 3 — TO APPROVE AN AMENDMENT TO OUR THIRD AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO INCREASE THE AUTHORIZED NUMBER OF SHARES OF OUR COMMON STOCK, FROM 100,000,000 to 150,000,000

The Board of Directors has determined that it is advisable for general corporate purposes to increase our authorized common stock from 100,000,000 shares to 150,000,000 shares and has voted to recommend that our stockholders adopt an amendment to our Third Amended and Restated Certificate of Incorporation (the “Restated Certificate”) affecting the proposed increase. The full text of the proposed amendment to our Restated Certificate of Incorporation is attached to this proxy statement as Appendix II.

As of January 9, 2017, approximately 7,114,901 shares of our common stock were issued and outstanding (excluding treasury shares) and an additional 49,969,410 shares were reserved for issuance upon the conversion of existing securities and exercise of options or warrants granted under our various stock-based plans and certain agreements. Accordingly, approximately 42,915,689 shares of common stock are available for future issuance.

The Board of Directors believes it continues to be in the best interest of the Corporation and its stockholders to have sufficient additional authorized but unissued shares of common stock available in order to provide flexibility for corporate action in the future. Our management team believes that the availability of additional authorized shares for issuance from time to time in the Board of Directors’ discretion in connection

with future financings, possible acquisitions of other companies, investment opportunities or for other corporate purposes is desirable in order to avoid repeated separate amendments to the Restated Certificate and the delay and expense incurred in holding special meetings of the stockholders to approve such amendments. We currently have no specific understandings, arrangements, agreements or other plans to issue, in connection with future acquisitions, financings or otherwise, any of the additional authorized but unissued shares that would be available as a result of the proposed increase in the number of authorized shares of our common stock. However, the Board of Directors believes that the currently available unissued shares do not provide sufficient flexibility for corporate action in the future. Even if the stockholders approve an increase in the number of our authorized shares, we reserve the right not to amend the Restated Certificate if the Board of Directors does not deem such amendment to be in the best interest of Corporation and our stockholders following the Special Meeting.

We will not solicit further authorization by vote of the stockholders for the issuance of the additional shares of common stock proposed to be authorized, except as required by law, regulatory authorities or rules of the NASDAQ Stock Market or any other stock exchange on which our shares may then be listed. The issuance of additional shares of common stock could have the effect of diluting existing stockholder earnings per share, book value per share and voting power. Our stockholders do not have any preemptive right to purchase or subscribe for any part of any new or additional issuance of our securities.

The affirmative vote of a majority of the outstanding shares is required to approve the amendment to our Restated Certificate to effect the proposed increase in our authorized shares of common stock. Abstentions and broker non-votes will be treated as votes against this proposal.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE TO APPROVE THE AMENDMENT TO OUR RESTATED CERTIFICATE, AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR OF THE AMENDMENT UNLESS A STOCKHOLDER INDICATES OTHERWISE ON THE PROXY.

PROPOSAL 4: THE ADJOURNMENT OF THE SPECIAL MEETING

Our stockholders are being asked to consider and vote upon an adjournment of the Special Meeting, if necessary, if a quorum is present, to solicit additional proxies if there are not sufficient votes in favor of the other three proposals to be acted upon at the Special Meeting.

Approval of the adjournment of the Special Meeting requires an affirmative vote of a majority of the votes properly cast for or against this proposal at the Special Meeting. Abstentions and broker non-votes (to the extent a broker does not exercise its authority to vote) will not be counted towards, and will have no effect on, the vote total for this proposal.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE TO APPROVE THE ADJOURNMENT OF THE SPECIAL MEETING, IF A QUORUM IS PRESENT, TO SOLICIT ADDITIONAL PROXIES IF THERE ARE NOT SUFFICIENT VOTES TO APPROVE THE OTHER THREE PROPOSALS, AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR OF THE ADJOURNMENT UNLESS A STOCKHOLDER HAS INDICATED OTHERWISE ON THE PROXY.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information concerning beneficial ownership as of January 9, 2017, except as noted below, of our common stock by (1) each of our directors, (2) each of our named executive officers and (3) all of our directors and executive officers as a group and (4) each stockholder known to us to beneficially own more than five percent of our common stock.

The number of common shares “beneficially owned” by each stockholder is determined under rules issued by the SEC regarding the beneficial ownership of securities. This information is not necessarily indicative of beneficial ownership for any other purpose. Under these rules, beneficial ownership of common stock includes (1) any shares as to which the person or entity has sole or shared voting power or investment power and (2) any shares as to which the person or entity has the right to acquire beneficial ownership within 60 days after January 9, 2017, including any shares that could be purchased by the exercise of options or warrants on or within 60 days after January 9, 2017. Each stockholder’s percentage ownership is based on 7,114,901 shares of our common stock outstanding as of January 9, 2017 plus the number of shares of common stock that may be acquired by such stockholder upon exercise of options or warrants that are exercisable on or within 60 days after January 9, 2017.

Unless otherwise indicated below, to our knowledge, all persons named in the table have sole voting and investment power with respect to their shares of common stock, except to the extent authority is shared by spouses under community property laws.

In the event that the number of directors to be elected to our Board of Directors is increased and there is no public announcement naming all of the nominees for director or specifying the size of the increased Board of Directors made by us at least 85 days prior to the first anniversary of the preceding year's annual meeting, a stockholder's notice will also be considered timely, but only with respect to nominees for any new positions created by such increase, if it is delivered to us at our principal executive offices not later than the close of business on the 10th day following the day on which such public announcement is first made by us. Proxies solicited by our Board of Directors will confer discretionary voting authority with respect to these proposals, subject to SEC rules and regulations governing the exercise of this authority.
